ORDER

JEANNETTE A. VARGAS, United States District Judge:

By separate Order today, the Court is referring this case to the assigned Magistrate Judge for general pretrial purposes to manage scheduling, discovery, non-dispositive pretrial motions and settlement matters.

To conserve resources, to promote judicial efficiency, and in an effort to achieve a faster disposition of this matter, it is hereby ORDERED that the parties must discuss whether they are willing to consent, under 28 U.S.C. § 636(c), to conducting all further proceedings before the assigned Magistrate Judge. Any appeal from a Magistrate Judge's decision following consent is directly to the United States Court of Appeals for the Second Circuit in the same way that an appeal from a District Judge's decision would be taken.

If both parties consent to proceed before the Magistrate Judge, counsel for Plaintiff must, **within two weeks of the entering an appearance**, file on ECF a fully executed Notice, Consent, and Reference of a Civil Action to a Magistrate Judge form, which is available at <https://www.nysd.uscourts.gov/node/754>. If the Court approves that form, all further proceedings will then be conducted before the assigned Magistrate Judge rather than before the undersigned.

If either party does not consent to conducting all further proceedings before the assigned

Magistrate Judge, the parties must file a joint letter **within two weeks of the entering an appearance**, advising the Court that the parties do not consent, **but without disclosing the identity of the party or parties who do not consent**. There will be no adverse consequences if the parties do not consent to proceed before the Magistrate Judge.

SO ORDERED.
